

# Parking & Hotels:

To eliminate higher ticket fees, the Autism Society of Alabama will not have a valet option available for the Autism Shines Gala. We encourage our guests to utilize parking in the public parking lot located between 1st Avenue N and 14th Street. This lot will provide public parking spots for a fee during events. The Executive Parking Systems will also operate multiple parking lot options around the Regions Field area.

Download the Clutch Parking App. This will give party-goers insight on what parking lot areas are still available during events. Users of the app, can search for available spaces by price and location and immediately reserve and pay for parking spots in advance.
